INSURANCE CONSTRUCTION

WHEN DISASTER STRIKES IT'S CRITICAL TO HAVE A BUILDER YOU CAN TRUST

Our in-house team of insurance building experts and handpicked subcontractors are there every step of the way. From private restorations, council maintenance works and large scale commercial projects, clients are in safe hands with Sensus.

YOUR PROJECTS. OUR EXPERTISE.

As a niche insurance builder, we have extensive private, council and commercial construction experience across SE QLD, Tropical North QLD, and Northern NSW.

Recent Works

- Gold Coast: Demolition of large-scale commercial property destroyed by fire. Erected temporary buildings for landlords and tenants. Currently preparing rebuild preliminaries.
- Brisbane: Residential unit complex severely damaged by lightning. Sensus' quote was 80% more cost effective than other builders. Innovative processes allowed residents power to stay on during works.
- Northern NSW: Re-roofed 800-square-metres of hail damaged metal colourbond roofing and box gutter systems.
